EVATIK Glasses Define Contemporary Edge

Resonating with gents who dig modern, clean designs, the latest EVATIK specs combine sleek silhouettes, masculine hues and subtle detailing! Angular rectangles and squares are beyond flattering and versatile for professional guys everywhere. A palette of jet black, copper, horn and navy, not to mention a slew of understated accents – think keyhole bridges, matte finishes, industrial vibes and hints of outdoorsy flair – gives way to sophisticated appeal. Dig what you see? **Get even more details here.**
