SEIKO Patented 100% Back Surface Free-Form Lenses

◀ **WESTGROUPE GOES WITH THE GRAIN.** Six new styles round out the Evatik Sun collection, including acetate and stainless steel frames. The line includes single and double bridge styles, and all models are available in CR-39® and polarized lenses with anti-scratch coating and 100% UVA and UVB protection. Lenses also include a seven-layer backside anti-glare treatment and are strengthened by cast-in technology. Style No. E-1021, available in black and taupe, is shown here in black, with a wood-grain finish. **For more information, contact WestGroupe at 800-905-2240 ext. 50172 or westgroupe.com.**

MCGEE HAS THE PRESCRIPTION FOR FUN. From oversized, to retro-inspired, to modern, the six styles of the new XOXO Prescription Sunwear Collection can complete any woman's look. Each sunglass is available in two colors, and choices include an oversized butterfly eyeshape, an oversized cat eye, an updated wayfarer, a petite fit, a classic look, and an aviator that's ahead of its time. Style No. X2328 is shown here in black. **For more information, contact The McGee Group at 800-905-2240 ext. 5066 or mcgeegroup.com.** ▶

◀ **CHARMANT EXPANDS ON PERFECTION.** Light, comfortable, and flexible remain the signature characteristics of the Titanium Perfection collection as five new styles are added to the collection's "Statement" segment. The three new styles for women include Style No. CH12077, which is retro-inspired and has a milled front and decorative temples; Style No. CH12078, a full-rimmed feminine design (shown here in purple); and Style No. 12079, a semi-rimless with filigree accented temples. For men, new models include Style No. 10779, a full-rimmed frame with a soft square eyeshape, and Style No. 10780, a semi-rimless with a smooth milled metal front. **For more information, contact Charmant Group at 800-905-2240 ext. 5013 or charmant.com/us.**

WILEY X SNEAKS ONTO THE SCENE. The Wiley X Changeable Series expands with the addition of the new Black Ops WX Saint (Style No. CHSA108). This Rxable, protective eyewear has a matte black half-frame and neutral smoke gray lenses that are shatterproof. It is certified to the updated GL-PD 10-12 MCEP Standard, which surpasses the MIL-PRF-31013 Ballistic Standard. This style also meets ANSI Z87.1-2003 High Velocity and High Mass Impact Safety Standards for certified Occupational Eye Protection. **For more information, contact Wiley X Eyewear at 800-905-2240 ext. 5077 or wileyx.com.** ▶
