BECKERMAN BITE PLATE

A daily fashion blog that chronicles Cailli and Sam Beckerman's street style and their adventures on planet earth, in their hometown Toronto.

Fysh UK Eyewear

Blogging in the Fall is sooo pretty! We have been spending lots of time in the park with all the gorgeous leaves turning colors before it gets too cold using the picnic tables as work tables. We have been blogging up a storm and love wearing our Fysh UK glasses. They are super fun, lightweight and we love how funky the sides of the arms are.
