◀ **MOREL KEEPS IT CLEAN WITH ÖGA'S KUSK II.** A combination of TR-90 and stainless steel allow for a clipped-on hinge that's lightweight and durable on the Kusk II. This expansion of the Kusk family features a thicker hinge that adds a pop of color to each frame, and makes for easy frame adjustment. Kusk II has six styles, in four colors each. The line includes full-rimmed frames as well as semi-rimless designs with bridges. Style No. 72310 is shown here. **For more information, contact Morel at 800-526-8838 or morel-france.com.**

◀ **OKO DIVES IN WITH DYS7.** The fluid design of Aqua (Style No. DYS7) from Oko by Oko's DYS collection will give wearers (and watchers!) a quick escape to the world under the sea, while the fish-fin-inspired temples give the frames strength and structure. This style is available in six colorways, and is shown here in red with orange. **For more information, contact OKO Eyewear, distributed by RED88 Eyewear Distributing, Inc., at 888-716-2020 or oko-eyewear.com. ▶**

◀ **WESTGROUPE'S FYSH UK GOES FOR A CAT EYE.** With colorways including black aqua, burgundy tangerine, teal silver, and green lime, FYSH UK's Style No. F-3494 is sure to be an attention-getter. This progressive-friendly frame is made with stainless steel and features circular metal detailing on its temples. **For more information, contact WestGroupe at 855-455-0042 or fyshuk.com.**

◀ **NOUVEAU'S KAY UNGER KEEPS AN EYE ON THE RUNWAY.** Featuring a soft cat-eye design, Nouveau's Style No. K139 from Kay Unger is an acetate frame with satin metal accents and delightfully rich tonal patterns. Colorways include black, burgundy (shown here), and brown. **For more information, contact Nouveau Eyewear at 800-292-4342 or nouveaueyewear.com. ▶**
